### **A SPECIAL NOTE OF APPRECIATION**

The teachers, students, and parents of Austin District Music Teachers Association would like to express gratitude to Concordia University for hosting our events. We gratefully acknowledge Concordia's exemplary community service in the area of the fine arts.

### **PARKING WITH YOUR PARKING PASS**

A map is provided on the next page which shows the location of Concordia University. When you arrive at the entrance, there is a guarded gate. Show your parking pass (provided on the next page) to the guard and park in Lot B or Lot C. Parking is free.

### **MUSIC BUILDING B**

Please enter through Building B, the music building. There you will find a list with the room numbers where the judges will be located. Please note that no child should be left unattended.

### **IMPORTANT THINGS TO REMEMBER**

1. Don't forget your music books! Only original music will be allowed. No copies will be accepted.
2. When you arrive at the building, there will be signs giving you the room numbers of the judges.
3. Arrive a little early at your assigned room. A monitor will be standing outside the door. Check in with her and she will let you know if things are running on time, where to stand in line, etc.
4. When it is time for you to perform for the judge, open your music books to the correct pages and give them to the monitor.
5. The monitor will assist you as you enter the room when you will take instructions from the judge.
6. When you are finished performing, you are free to leave unless you have been instructed otherwise by your teacher.

As there are no practice rooms for warm-up, the student should come "ready to play."  
Remember to take your music books home with you!

### **NATURE CONSERVANCY**

The Concordia campus is on nature conservancy land and the beautiful, tranquil setting should be respected as such. Do not walk in the nature areas. Do not kill any bugs and do not use insect spray. No litter of any kind is permitted. Please respect the land and buildings and leave things just the way you found them.

### **FOOD AND DRINKS**

Snacks and drinks are available in the student lounge. All food and drinks should be kept in the lounge area at all times. No food, drinks, or gum are allowed in the music rooms.

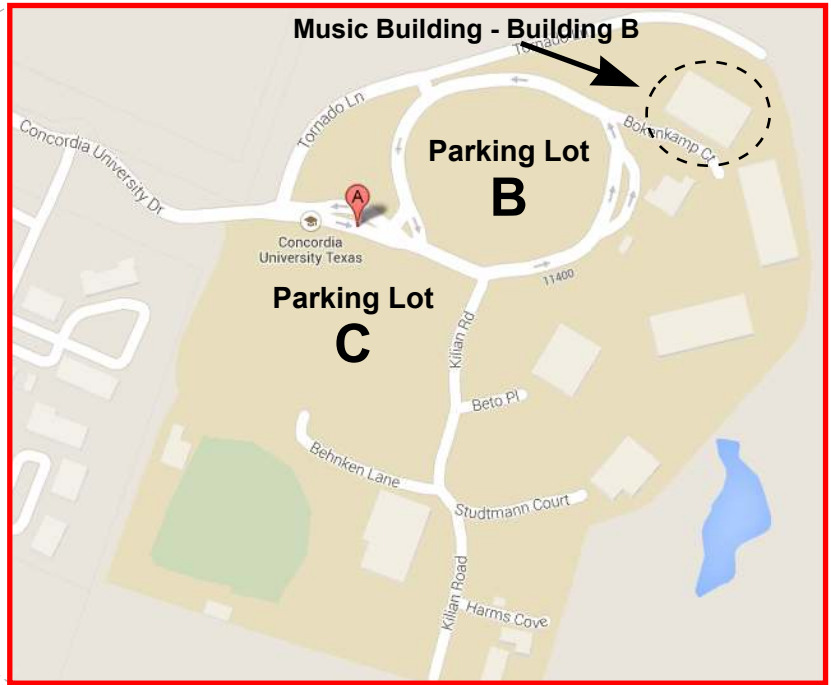

**THANK YOU!**
